Practical learning through field sales activity

About the Company

01 Aditya Birla Sun Life Insurance (ABSLI) is part of the Aditya Birla Group.

02 It is a joint venture between the Aditya Birla Group and Sun Life Financial.

03 The company offers life insurance solutions to support protection and long-term financial planning.

04 Its aim is to help individuals and families plan for their financial future.

Field Activity & Product Selling

As part of the field activity, I visited local shops and sold erasers while representing the sales activity.

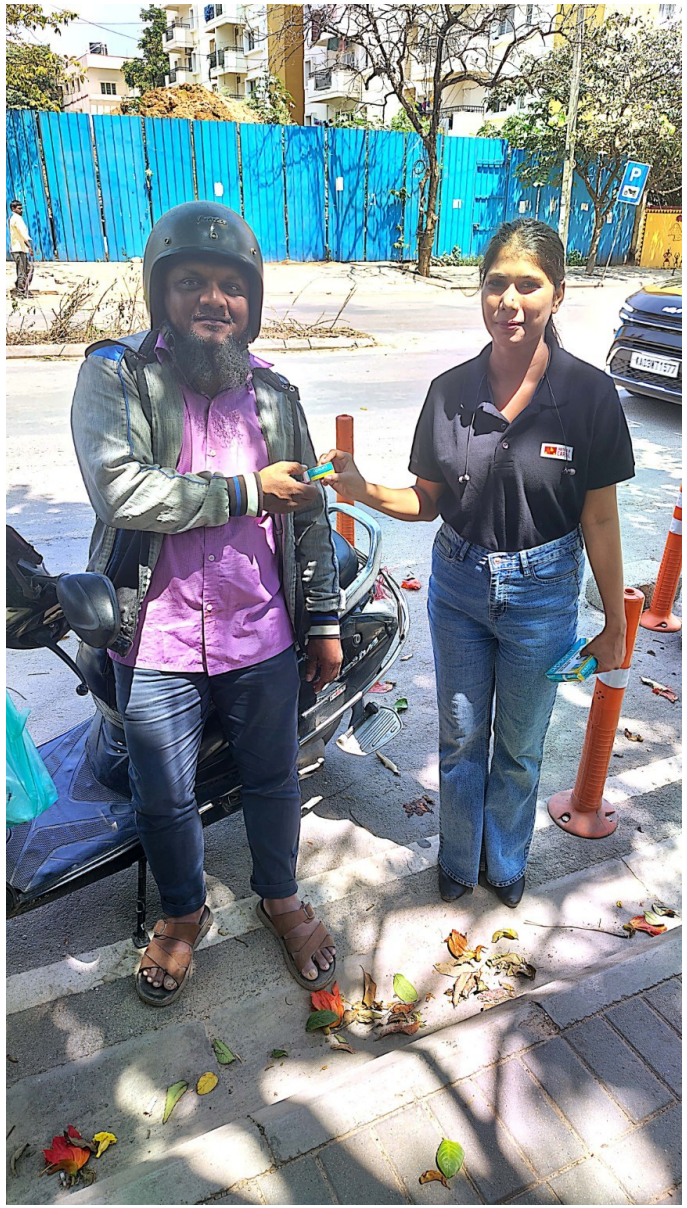

Focus: approaching customers, communicating clearly and completing sales.

Field Activity: Customer Interaction

Product Selling Experience

Direct Customer Engagement

Selling Products at Local Shops

Practical Field Sales Experience

My Experience: How I Made a Profit

I bought 10 erasers in bulk and sold them individually.

TOTAL COST

■45

10 erasers

SELLING PRICE

■50

10 × ■5 each

TOTAL PROFIT

■5

■50 – ■45

Profit = Total Selling Price – Total Cost = ■50 – ■45 = ■5

Profit percentage on cost = (■5 ÷ ■45) × 100 ≈ 11.11%

Cost Price, Selling Price & Profit

COST PRICE

■45

SELLING PRICE

■50

PROFIT

■5

The selling price was ■5 higher than the total cost, resulting in a total profit of ■5.

Profit percentage is calculated using cost price as the base: (Profit ÷ Cost Price) × 100.
