SELLING OF TRICKY THINGS

SALES ACTIVITY REPORT

Product: Pen

Quantity sold: 10 pens

TOTAL PROFIT ₹50

Customer interaction • Communication • Value

01 | Activity Overview

A practical exercise to understand the basics of selling.

PRODUCT

Pen — a simple, affordable, everyday-use item.

ACTIVITY GOAL

Sell 10 pens by approaching customers and explaining the product's usefulness.

KEY SKILL

Build customer trust through polite communication and clear information.

02 | Pricing & Profit

A clear view of the numbers behind the activity.

₹10 Cost per pen	₹15 Selling price per pen	10 Pens sold
₹100 Total cost	₹150 Total revenue	₹50 Total profit

Profit = Total Revenue − Total Cost = ₹150 − ₹100 = ₹50

03 | How I Approached Customers

A simple step-by-step selling process.

01 **Greet politely** — Start with a friendly and respectful introduction.

02 **Communicate clearly** — Listen to the customer and explain in simple words.

03 **Educate the customer** — Share what the product is and how it can be useful.

04 **Explain daily use** — A pen is useful for notes, forms, studying and writing.

05 **Highlight affordability** — Explain the reasonable price: ₹15 per pen.

04 | Customer Interaction

Field activity: approaching people and presenting the pen.

Polite approach • Product explanation • Closing the sale

05 | Field Activity Highlights

Real moments from the selling activity.

Every interaction is an opportunity to learn and improve.

06 | Key Learnings

The activity showed that successful selling is about value and trust.

Good communication

Speak politely, confidently and clearly.

Product knowledge

Explain features and practical benefits honestly.

Daily-life usefulness

Connect the product to the customer's needs.

Affordable pricing

Make the price clear and show the value.

Customer focus

Listen, answer questions and never pressure the customer.

07 | Sample Sales Pitch

“Hello! Would you like a pen? It is useful for everyday writing, taking notes and filling out forms. It costs only ₹15. Would you like to buy one?”

Keep it friendly • Explain the benefit • State the price • Ask politely

A good salesperson helps customers make an informed choice.

08 | Conclusion

A small product can teach important sales lessons.

This activity helped me practise approaching customers, explaining product benefits and communicating the price clearly.

I learned that sales success depends on trust, product knowledge, usefulness, affordability and respectful communication.

Thank You!
